## Postal Public Service Award Presented To The Antioch News

The Antioch News Monday was presented with an "outstanding public service" award by the United States Post Office Department.

Making the presentation to Harold Gaston, general manager of The Antioch News, was Frank G. Sulewski, assistant to the regional director of the department.

In his presentation Sulewski pointed out that the award he was making was not an every day citation. Only 100 have been given out in the past years.

On hand for the ceremonies were Postmaster Jos. Wolf, who was instrumental in the award being made, Mayor Raymond Toft, Joe Chiuffo, Chester Golonka, Howard Pannier of the Antioch Post Office staff, Laverne Woods, Russ Barnstable, Preston Reckers, John Horan, and members of the Antioch News staff.

In making the presentation, Sulewski said:

"I see every issue of The Antioch News and I am familiar with the paper. It is doing a tremendous job keeping the public informed on Post Office programs. It also gives items that are

important to the people of the area, giving complete information on what the Post Office is doing.

"We would also like to congratulate The Antioch News for its superb effort in getting the community behind the wonderful program of mailing packages to the boys in Vietnam.

"Project Vietnam has been brought to the attention not only to the people of Antioch, but to the people of the State of Illinois and the country as a whole."

The red, white and blue plaque has the following inscription:

"The Antioch News:

"In recognition for an outstanding public service in the advancement of postal policies and for its effort directed in the promotion of the Antioch Post Office Personnel 'Project Vietnam', a community effort for the welfare of the Antioch area servicemen in Vietnam.

"In every issue over the past 14 months, The Antioch News has contained pictures and letters provided by the post office and is of great interest to Antioch and the surrounding area."

Gaston, who accepted the

award, said:

"We consider this a great honor and something we are very proud of.

We will try to continue our service to the community and to those servicemen overseas who are protecting us here at home.

"I thank you for this honor bestowed on The Antioch News, and gratefully accept this Public Award Certificate."

Wolf pointed out in his letter to Donald L. Swanson, regional director in nominating The Antioch News for the award that "many awards have been given to the Antioch Post Office since you gave us our first in May, 1967."

"In recent weeks," Wolf said, "we have had the honor of having a report on our activities read into the Congressional Record, been given a Proclamation by the Governor of Illinois and feted at a dinner and received citations from the American Legion."

"In every issue over the past 14 months The Antioch News has given front page publicity to post office activities and the success of 'Project Vietnam' is largely due to their efforts in our behalf."

## Start Campaign For Mental Health

A full service mental health and mental retardation program for all Lake County citizens is the air of a county-wide referendum drive that begins Sunday, May 5.

An Open House from 2 to 5 p.m. Sunday at the new quarters of the Lake County Mental Health Center, 201 Liberty Street, Waukegan, will inaugurate a five-week campaign for a "yes" vote on Lake County's June 11 Mental Health referendum.

"Opening our new offices dramatizes the urgent needs of troubled people in Lake County," says Edwin L. Oberio, president of the Lake County Mental Health Society.

"It is a bittersweet moment, for although our new offices are most attractive, we know that all of the combined efforts in the county by this agency and others can assist only about 3% of those who may need mental health or mental retardation services."

The Center occupies the first floor of the Barwell Settlement, a modern brick structure on Liberty Street near Ulica Street. Attractive, well-appointed offices and group rooms provide much needed space for clinical programs.

Mrs. John P. Risley, wife of the former director of the Lake County Mental Health Clinic, has taken a personal interest in decorating the offices with a number of paintings loaned by members of the Lake County Art League, of which she is an active member.

The public is invited to visit the Center during the Open House program and greet the new executive director, Gabriel J. Popovich, ACSW, who joined the staff on April 1.

Judge Minard E. Hulso, long active in efforts for emotionally and mentally disabled citizens, heads up the Lake County Committee for a Mental Health Retardation Referendum, and will be present at the Open House.

"I earnestly hope that every citizen will use this opportunity to acquaint himself with the very urgent needs. Immediate access to a full service can prevent or substantially reduce long-term stays in state hospitals or schools. By approving the referendum we would move a step closer to that full service program," Judge Hulso said.

## Fireman Injured In Blaze

One fireman was injured Monday fighting a blaze that did an estimated \$10,000 damages to a machine shop shed on the Homer White cattle farm, White Road, near Deep Lake Road, Antioch Township.

William Eckert suffered a minor eye injury when burning rubber tires behind the shed exploded as he was trying to scatter them, according to Fire Chief Todd Maplehorpe.

Maplehorpe said Eckert was back to work already and did not suffer any permanent damage to the eye.

Four pieces of fire equipment and 26 men were at the fire which began at 4 p.m. and was declared out after 6 p.m.

A second shed was slightly damaged as was the farm's barn building about 20 feet from the burning shed.

REMARKS: Another month has ended and here are the averages as compared with March. Our high temperature 60.8° over 52.3°, low 37.1° over 25.9° and mean was 48.9° over 39.1°. The highest was 78° on the 12th and the lowest was 21° on the 5th. We had 9 days that it was 32° or lower but every day went over, where as in

## Cite Gains In Cancer Campaign

Significant gains on three fronts were reported today by the American Cancer Society Crusade against Cancer in Antioch.

The gains, indicating that this year's campaign will set new records, according to Mrs. William Brook, community chairman, were in the areas of money contributed by the public to the Crusade, the total number of homes visited by Crusade volunteers and the number of educational leaflets distributed to the public.

Mrs. Brook stated that the Lake County unit had collected \$35,675.93 from the public.

Stating she was "very much encouraged by the showing to date," Mrs. Brook emphasized that there will be "no slowing down or relaxing in our fund-raising and educational efforts." The 1968 Crusade, 1 feel certain, will be record breaking.

Mrs. Brook pointed out that "there are 1,400,000 Americans who know from their own experience that cancer does not mean the end of life. These are the cancer-cured, those who have gone five or more years without a shred of evidence that cancer has returned. By and large, these are former cancer patients whose condition was discovered early and treated promptly by their doctor."

In Lake County, Dr. H. R. McCall, County Crusade chairman, revealed there were some 32,583 ex-cancer patients, most of whom are back at their jobs or other duties following complete recovery.

March we had 2 days that never got over 31°.

We had 3.19" of precipitation which is .01" below average and .20" below average on snow. All in all it was a very fine month.

Two things haven't changed on a farm. They still turn the furrows over to the right and water runs down hill.

## Vietnam Cookie Drive A Success

If anyone has doubts about how the town of Antioch feels about its soldiers in Vietnam, they should visit the home of Mrs. Christ Schultz at 273 Oakwood Knolls Subdivision.

Mrs. Schultz is chairman of the Project Vietnam Cookie Drive, and she and Mr. Schultz have been busy packing cookies in cans in preparation for the Wednesday night, May 1st mailing which was completed by Antioch High School students at the high school. The inspiration for this Cookie Drive came from an Antioch High School student, Janet Sheehan.

When the cookie idea was suggested—some expressed doubts as to whether it would work out. Janet said, "Just tell the people of Antioch what you want, and I'm sure they will come through for you."

Janet was right—the response was overwhelming. Mrs. Schultz

remarked: "When we asked for cookies, through an article in the Antioch News, I had no idea that the women would respond so generously."

"It was our hope to be able to send a three pound tin of cookies to the nearly 50 names on the list—but thanks to the good friends of Project Vietnam, we will probably double that figure."

Postmaster Joe Wolf promised: "All cookies will be sent to our boys in Vietnam, even if we have to send two or three packages to each man." He added, "The more the merrier, since there is nothing too good for our Antioch area soldiers."

The first package to each man contained a 3 lb. tin of cookies, a quantity of Kool Aids, canned shoestring potatoes, soup, popcorn, hard candy, notebooks, writing paper and soap. These are

standard items sent each month and purchased with funds contributed to Project Vietnam. Paper back books left at the Post Office are also sent once each month, but packaged separately since they are mailed at the cheaper rate.

Project Vietnam started 15 months ago, and since it began, Joe Wolf informs us that more than 2700 packages have been sent to our boys and that every package has in it a little bit of the heart of every man, woman and child in this area who are very proud of their servicemen, whether they are at home or abroad.

The Oakwood Knolls Association, whose president is Chris Schultz, will handle the June mailing for Project Vietnam. There will be a flag dedication in Oakwood Knolls on May 30 and the community is invited and refreshments will be served.

## New Voters: Register To Vote Before May 13

New residents and first voters must register on or before May 13 in order to be eligible to vote in the June 11 primary election.

Qualifications include that a person must be a citizen, 21 years of age by June 11, 1968, a resident of Illinois for one year, a resident of Lake County for 90 days and a resident of the precinct for 30 days prior to the election date.

Voters may register at the Antioch Township office at 920 Main St., the county administration building in Waukegan or at Ye Old Cowbarn Restaurant, Bluff Lake Road and Grass Lake Road.

Township office hours are from 9 a.m. to 5 p.m. Monday, Tuesday, Thursday and Friday, and from 9 a.m. to noon on Wednesday and Saturday. The county

building from 9 a.m. to 5 p.m. Monday through Friday, and the Cowbarn from 7 a.m. to 6 p.m. daily except Monday.

Registered voters who have changed their names through marriage or court action must also re-register by the May 13 date.

Absentee ballot applications for those who will be out of town on election day and for members of the armed forces can be obtained through June 6 at the county administration building.

Applications may be made in person or by mail by the serviceman or by a member of his immediate family provided they are 21 years old or more.

A serviceman need not be registered in order to vote if he meets

the requirements of age, citizenship and residence.

May 13 is the first day for filing for absentee ballots.

The serviceman receiving ballot applications must return them to the county clerk and an official absentee ballot will be sent to him.

Residents of Rte. 1 or any other areas where the Post Office has changed the box numbers do not have to re-register. When voting they merely fill out the application for the ballot, inserting the new box number.

The correct street number should also be put on the ballot application.

that his group would act as a clearing house for all projects to be submitted to Carl Klein's commission.

"We have been neglected too long," Klein said. "Southern Illinois will have to learn a lesson. We urge your suggestions because right now we are working on the Fox River watershed."

Herbert L. Byers, director of the Lake County Public Works Department, presented a plan to the commission, which would combine some 69 sewage treatment plants in the western part of the county into five.

He said the program would cost some \$39 million and that the county would have to do it through revenue bonds if the state or federal government didn't help out.

Klein remonstrated with Krupo because he would not come forth with a specific request for a specific project detailing what it would cost.

Klein said his commission is going to the "grass roots" to get ideas on what purpose the money from the bond issue could be put to use in its best way.

"What we need now is specific projects," Klein said, "including a cost factor."

Along with the pure water control, Klein pointed out, will also come a better highway system.

"And when we have all of this then you will see the greatest industrial expansion in this state that you have ever seen," he said.

State Rep. John Henry Klein, R-Lake Forest, chairman of the Northern Illinois Commission on Pollution and Water Control, said

He boasts a 98.2 per cent conviction record and appears to be the front runner in the current campaign, Horton said. A survey in the area indicates Antioch Township is solidly behind him.

Additionally, the club will present Lake County Coroner Orville S. (Pat) Clavey with an "Oak Leaf Cluster" to complement his previously awarded ELLAphant trophy, in the form of a plaque, as a testimonial to his tireless labors on behalf of the Republican Party, Horton said. Clavey received the first ELLAphant award from the ATRC.

W. J. (Bill) Murphy, area legislator, will emcee the affair which will include gubernatorial candidates former Gov. William G. Stratton, S. Thomas Sutton and John H. Altorfer. Richard Ogilvie, the fourth candidate for governor will send a representative in his place.

Horton said that Stratton was catapulted back into politics several years ago at a similar ATRC party.

Candidates from throughout the state, as well as the area, will be present at the political-glamor event.

The Club will also install a new slate of officers at the affair.

Guillou told the group that the Fox Chain has a serious problem—one which you cannot just walk in, turn a valve, and solve it.

"There are more boats going through the McHenry Locks than any other place on the North American Continent," he said. "But we only have \$40,000 available this biennium for dredging on the Chain."

Guillou agreed with Murphy that legislation should be introduced that would allow half of the motor fuel tax collected on gasoline used in power boats to go to the division of waterways for use in the areas it is derived from.

He also agreed that \$1 million a biennium would solve the recreational problem and one-third of the pollution problem on the Chain.

## Hoogasian Wins GOP ELLAphant

First Assistant State's Attorney Jack Hoogasian has been chosen to receive the Antioch Township Republican Club's 1968 ELLAphant Award for outstanding Republicanism, Herbert Horton, ATRC vice president announced.

The award will be presented at the Club's annual Spring Dinner Dance, Saturday, May 4, in Lorenz's Smart Country House. Festivities get underway at 7 p.m.

Hoogasian, running for the Republican nomination for state's attorney, has been on the state's attorney staff for nine years and is considered by the ATRC to be the most qualified candidate.

He boasts a 98.2 per cent conviction record and appears to be the front runner in the current campaign, Horton said. A survey in the area indicates Antioch Township is solidly behind him.

## 8th Grade Students Get Treat

Friday, April 26 was a big day for some 350 excited 8th graders from Antioch area schools. They enjoyed eating lunch in the high school cafeteria and being entertained by the upper classmen in the boys' gymnasium.

The program opened with the presentation of colors by the Color Guard. Marty McConahay, the only Student Council President to be elected for two years, was Master of Ceremonies.

Marty made a very impressive speech that the kids really listened to. He stressed the point that their attitude and enthusiasm had much to do with whether high school became a boring or a stimulating experience. He emphasized that the more you put into high school, the more you get out of it . . . and he urged the newcomers to take advantage of the many opportunities that the high school offers for enrichment of their lives.

Mr. Albert Dittman, superintendent of Antioch High School gave a short talk. He remarked about how students come to Antioch High School from many other schools and become a "melting pot." Out of this melting pot, he said, "will come an individual whom we refer to as a Sequoit."

He, too, stressed the point that there are many opportunities for the newcomers, both academic and in various activities and hoped that this new class would profit a great deal from what the school has to offer them.

The Stage Band performed next, under the able direction of Mr. Joseph Rush. They played music that teen-agers love—and received a terrific round of applause. The kids liked them.

Collee Gross told about Girls' Activities at the High School; Gregg Drije informed the boys about the sports activities. Pat Lombardo talked on A.F.S.; Joyce Herman told the do's and don't's of good grooming and also talked about attendance. Joyce mentioned that girls can wear skirts, dresses, jumpers, culottes, sweaters, etc., but they must not be any shorter than 4 inches above the bend of the knee. Cosmetics should be used discretely and in good taste.

Blue jeans and extreme hair styles are out for the boys! Dave Dvorak gave a talk on Scholarship.

Climax of the program was entertainment by the "Madrigal Singers, under the direction of Ralph Brooke. The audience loved them—and they were a big hit.

Guided tours of the building ended the afternoon, and the 350 happy 8th graders returned to their busses, undoubtedly doing a lot of thinking about the four years that lie ahead for them at Antioch High School—and most looking forward to it.

## A Sorry Sight

Area businessmen lament the fact that new parking facilities are needed in Antioch's business district.

And we couldn't agree with them more. We have a growing community that threatens to push out its seams and parking places are beginning to become scarcer than hen's teeth.

And a solution to this problem may be in the offing.

We are speaking of a municipal parking lot in the rear of the stores along Antioch's main street.

But merchants in the area—if it comes to pass—are going to have to do a little digging in the pocketbook.

The rear of the stores along that area are in a deplorable condition.

But it is something that a little fixing up—and painting up—could cure, if the merchant has a mind to do so.

There is nothing more depressing than to park in the rear of a group of stores that have been neglected for many years.

Now we are not saying that the back end of the store should look as good as the front—although we can't find a valid reason why not—especially if that is the first look you are going to get of an establishment you are about to patronize.

Nice fluffy, white potatoes look very good to the hungry diner. But when you color them green, or black, or blue, they become very unappetizing.

It is the same way with patronizing a store.

A merchant would not let his front windows get to looking seedy—the public would stay away. We just happen to think that the back end also needs to look half-way nice.

## Invest In Youth

Every summer a tragic scene has become all too familiar in communities across the nation. It's a picture of waste: Idle youth searching for something to do.

For the past three summers, through the Youth Opportunity Campaign, we have witnessed the dynamics of America's democracy working to transform youthful idleness into youthful productivity.

When school lets out this summer, more than two million of the 13.5 million youngsters 16 to 21 years old who will be looking for work won't find it without help.

Even if we equal last year's national record of turning up some 1.1 million extra jobs for young people, the unemployment rate among youth will raise by 8 per cent.

Clearly, the stakes in this massive summer search for employment are very high indeed—for youths and adults.

For many a job means the difference between launching a productive and rewarding career—or remaining idle, perhaps living on public assistance.

This campaign, now entering its fourth summer, demands the wholehearted support of employers, labor, civic groups, fraternal organizations, churches and schools in cooperation with all government levels.

Let's invest in our youth in 1968.

## Courthouse Notebook

By Lou Durkin

"To the victor belong the spoils" has been the American political credo at least since the days of Andy Jackson and probably before him although his predecessors were somewhat more genteel in announcing the political divvying.

And that's as it should be. Political organizations must be strong if the two-party system is to survive and political party strength is built on patronage or "spoils."

We do not agree, however, with the attitude that a legislative body should discipline its members who happen to vote with the losers by depriving them of committee seats.

There has been a growing tendency to do this at various levels of government even in the Illinois General Assembly where some members have been excluded from committee membership because of differences with the current power bloc in the House or Senate.

The members of any legislative or representative administrative body are elected by the people of their districts and the voters have a right to expect some sort of performance from them.

When an individual member is excluded from all committees he can not function properly and the people of his district are there-

## IRS Seeks Applicants For Jobs

The Internal Revenue Service has a current critical need for people who would like to work as an Alcohol and Tobacco Tax Inspector. Most of these job openings are located in the Chicago area.

IRS is an equal opportunity employer and all applicants meeting the basic educational requirement of four years of college, or have equivalent experience, will be considered for the available positions. Appointments carry permanent Civil Service status.

As an A&T inspector, inspection and investigative work is performed on site in distilleries, breweries, cigar and cigarette manufacturing plants, wholesale liquor outlets, research laboratories and related establishments. A&T inspectors determine compliance with Federal laws and regulations by analyzing records and accounts, verifying tax payments and inspecting facilities and manufacturing processes. Resourcefulness and ability to perform independently are required.

Beginning salaries for new A&T inspectors, as of July 1, 1968, range from \$5732 to \$6981 per year, depending on the applicant's qualifications. Normal promotions lead to salaries up to \$9800 within one or two years' time, followed by opportunities for supervisory positions at salary levels up to \$15,828.

Persons interested in applying for these positions should call the IRS Midwest Regional personnel office, Chicago.

## L. Newton Attends Realtors Meeting

The Illinois State Board of Realtors held their quarterly meeting last week at the Marriott Park Ridge. Attending this was LaVergne Newton of Antioch who for the second year represents this area on the Associate Division Committee. She is with Poe & Poe Realtors, Waukegan.

fore disenfranchised.

Petty arrogance is usually the controlling factor in the exclusion of supervisors, aldermen or legislators from committees of the group and such pettiness ill becomes the controlling bloc.

There are good committee assignments with which the faithful can be rewarded and there are less desirable committees akin to political Siberia where the non-believers can be assigned, but the people they represent are entitled to this courtesy at least.

The Republican campaign for the gubernatorial campaign is gaining speed and as former Gov. William G. Stratton makes his swing through the state the difference in his campaign and that of his chief rivals Cook County Board President Richard Ogilvie and Peoria Industrialist John Henry Altorf become even more apparent.

Altorf and Ogilvie are campaigners in the new style with big, well-financed organizations, charts, tables of organization and all the trappings and warmth of military campaigns.

Stratton still campaigns on the personal level, hitting all the bean and ham suppers (the big campaign favorite Downstate), the small friendly gatherings and shaking thousands of hands.

Altorf and Ogilvie travel with big entourages of aides who clear the way for the candidate while Stratton is more likely to appear alone or with his wife, Shirley.

Ogilvie strides purposefully to the rostrum, drones out his biography with the warmth of a "Tilt" sign on a pinball machine and departs.

Stratton makes his way to the platform with frequent interruptions to greet old friends and shake hands with new friends.

Stratton is still running off the pace, but reports from Downstate indicate he has been getting a warmer reception than either of the other candidates and the metropolitan press is beginning to recognize that he is in the race.

The Antioch area will be well-represented when the fabulous new Playboy Club-Hotel opens next week at nearby Lake Geneva.

The Charmglow Products Co. of Antioch designed and furnished the gaslights which line the long, winding drive leading from Rte. 50 to the sprawling resort center.

Harriet's Imperial Furs, of Wadsworth, has been selected as the exclusive furrier for the hotel and will have a salon in the main lobby area.

## ALONG THE WAY with Annie Mae

That Was the Week That Was

Last Saturday evening proved to be one of the busiest of the year for Antioch people. Some had to attend two activities in the same night. The Carmel Parents Club held a dance. The Grand Knights of Columbus had a dance. PM&L had their play Friday and Saturday nights, and the Mental Health Cotillion at Illinois Baech State Park was held.

A job well done to Kay Costoff, Pat Lorenz and Gloria Patrovsky. Their efforts drew a record crowd of over 250 people.

Governor Kerner and Judge Minard Hulse were among the dignitaries attending. The newest in men's fashions really complemented the many lovely gowns.

## Loyalty Day Program

The patriotic theme "I'm proud to Be an American," was the keynote accenting Loyalty Day activities Wednesday in Waukegan under the sponsorship of of Foreign Wars was host.

Lake County Council, Veterans of Foreign Wars was host.

Loyalty Day was originated by the V.F.W. as a counter offensive against Communist and other anti-American May Day demonstrations. The V.F.W. members pushed the atheistic Reds and their sympathizers into the background with public patriotic activities dramatizing Americanism.

Congress and the President have added to the patriotic fervor by officially designating May 1 annually as Loyalty Day and urging all citizens to participate in appropriate programs through their schools, churches and other groups in every community.

Loyalty Day plans in Waukegan included a parade at 6:30 p.m. on Genesee St., north of Grand Ave. A short program was held at the north end of the new county administration building.

## WATCH OUT More Daylight, More Playing Kids

The return to Central Daylight Time at 2 a.m. Sunday, April 28, resulted in longer daylight hours, increased outdoor playing time for children and the need for extra alertness by motorists, cautions the Chicago Motor Club-AAA.

"Warmer weather and longer daylight hours bring out the youngsters in the dangerous late afternoon dusk," said Gerald W. Cavanagh, CMC president.

Unfortunately, these young ones don't always choose to play in proper areas. Because a child is busy with his play, he seldom is alert to the dangers of traffic, and this imposes a great responsibility on motorists to be alert at all times for children playing in traffic areas.

The danger is greatest in cities during the evening rush hour peak because children are most likely to be playing at this time—many in non-supervised areas.

"Watch for the tell-tale signs," Cavanagh said, "like the ball rolling into the street or a dog romping at the curb's edge—a child is close behind."

It is essential for parents to instruct their children in sound pedestrian safety practices and urge them to use supervised areas.

## Conference On Youth Set For May

Youth workers, school teachers, parents and public officials from all parts of Illinois will meet in Chicago at the 37th annual Governor's Conference on Youth May 2 and 3 to discuss current juvenile problems.

More than 125 agencies and organizations are cooperating with the Division of Community Services of the Illinois Youth Commission in the two-day conference at the Pick-Congress Hotel.

Attendance is expected to exceed 2,000.

Gov. Otto Kerner has proclaimed the opening day as "Youth Day" in Illinois and will speak at the annual "Youth Day" luncheon.

Conference sessions are open to the public; there is no registration fee.

Antioch Grade School Band won its 13th consecutive 1st Division Rating at the State level on April 27 when it competed in the Illinois Grade School Band State Competition. George Olisar is director of the band.

Richard Janka

## Janka, Wife Win Trip To Arkansas

Richard Janka, 548 Gary's Drive, Antioch, an Allstate agent, and his wife plan to attend a sales conference of the Allstate Companies at Tan-Tar-A Resort, Lake of the Ozarks, Missouri, May 24 through 26.

Mr. and Mrs. Janka will take part in the 17th annual "Conference of Champions," which will include meetings and round table discussions with top executives of the companies.

Janka qualified as a member of Allstate's exclusive "Honor Ring" organization by being among the outstanding sales representatives from the ranks of over 8,800 Allstate agents.

## School Safety Patrol Week Begins May 5

May 5-11 will be School Safety Patrol Week across the nation by order of Congress.

There are more than 900,000 members of the Patrol in 40,000 schools in 15,000 communities in every state and it all started with the Chicago Motor Club-AAA in 1920.

Traffic accidents claimed young lives in Chicago at the rate of 180 a year before the CMC organized the Patrol. The death rate for school age children has been cut in half since then while the death rate for pedestrians in other age groups has doubled.

In a Presidential proclamation issued in accord with Congress are these words:

"For nearly 50 years, voluntary School Safety Patrols have performed a distinguished service to other children going to and from school. The volunteer Patrol has not only safeguarded countless young lives; it has, by example, taught obedience to traffic laws and the observance of safe pedestrian practices."

## Woods Speaks At Antioch Hi

The annual installation of active and probationary members for the National Business Honor Society was held April 24 at Antioch High School.

Mr. LaVerne M. Woods, Vice-President of the First National Bank of Antioch, was the guest speaker. His subject was "Business Education, Promotion, and Subordination."

The active members are Pat Denman, Kathy Lystilla, and Joan Neyrnick.

The probationary members are Helene Bukowski, Cheryl Cunningham, Kay Hermanek, Diane Hunt, Joyce Luck, Kathy Mayerle, Rita Mirocko, Fonda Norwood, Cyndee Pederson, Marilyn Radtke, and Karen West.

Every mother's working hours are from son-up to son-down.

## Antioch Ladies Radiantly Beautiful At Cotillion

Maybe you haven't been aware of it—but Antioch has many beautiful women living in its area. This was brought out dramatically at the Lake County Mental Health Cotillion Saturday night when the lovely ladies and their good looking escorts enjoyed an evening of cocktails, dinner and dancing. Over 300 people were there—including Governor Otto Kerner. The Governor complimented Antioch on the wonderful job they are doing with mental health. Some of the ladies from other areas expressed the desire to start an auxiliary in their community, and the Antioch gals are ready and willing to help them.

Some of the men attending the ball, nearly stole the show. They were Bob Freshley, of South Bend and Ed Franger of Elkhart, Ind., who made appearances in

dress Nehru Jackets and wearing medallions.

John Kakack wasn't taking any back seat to Nehru jacket wearers and he wore a turtle neck shirt with an Indian necklace medallion which caused a lot of interest.

Shirley Stanich was radiantly beautiful in her white crepe evening gown with rhinestone trim. Most people stayed to the very end, enjoying the good music put forth by King Jaros and his orchestra.

Mrs. Joseph Patrovsky did an excellent job in planning the affair and the decorations were outstandingly beautiful.

The auxiliary ladies made delicious hors d'oeuvres and closing remarks at the Cotillion were "When will the next one be?" which proves that it was a big success.

Alfred Little

## Al Littles Go To Miami

Alfred Little, Route 4, Antioch, an Allstate agent, and his wife attended a sales conference of the Allstate Insurance Companies at Doral Country Club, Miami, Florida, April 18, through 20.

Mr. and Mrs. Little took part in the 17th annual "Conference of Champions," which included meetings and round-table discussions with top executives of the companies.

Little qualified as a member of Allstate's exclusive "Honor Ring" organization by being among the outstanding sales representatives from the ranks of over 8,800 Allstate agents.

## Prom Sat., May 4 At Antioch High

Antioch Community High School will hold its annual Junior-Senior Prom on Saturday evening, May 4 from 8:30 to 11:30 in the school gym.

Music will be by Mearle Kelm and his band. Coronation will be at 10:30 when the Queen will be announced.

This year's theme is "Soiree A Paris." The Junior class has been working very hard to make the dance a fond farewell for the seniors.

## W. Ray Johnson Improving

W. Ray Johnson is improving at St. Therese Hospital, thanks to the generous response to the Antioch News request for blood donors last week.

Johnson and his son operate the Sinclair Station at Rt. 173 and 83 just south of town.

The door to door salesman, selling garden tools and implements recently, gave the lady of the house his spiel. She didn't seem to show much interest, but she did offer a ray of hope. "Why don't you try the folks next door?" she inquired. "We use all their tools, and they are in terrible shape."

## Traffic Seminar On May 3

More than 100 Illinois newsmen will attend the 11th annual meeting of the Illinois Editors' Traffic Safety Seminar on May 3 at the Wagon Wheel in Rockton, according to Lionel Kramer, Seminar secretary and public relations director for the Chicago Motor Club-AAA.

Principal speakers include Francis C. Turner, director of the U. S. Bureau of Roads; J. Stannard Baker of the Northwestern University Traffic Institute; and Thomas M. Fisher, assistant director of automotive safety engineering for General Motors Corporation, Detroit.

Turner will answer "highway critics" and give newsmen an idea of what is ahead in highway construction and transportation planning for years to come.

Also on the program will be a forum discussing Illinois' highway program. Moderator will be Illinois Senator John W. Carroll, publisher of the Pickwick Newspapers, Park Ridge.

Ten high school seniors, winners of the Seminar's 2nd annual traffic safety essay contest will be honored at the annual Seminar banquet. They will receive \$500 scholarship awards from the Chicago Motor Club, presented by club president Gerald W. Cavanagh.

## Don't Let Trailer Hide License Plate

Secretary of State Paul Powell cautions motorists who plan to pull trailers behind their cars during summer outing trips to be sure the trailer hitch is attached to the car in such a position that it does not partially or completely obscure the rear license plate.

A little advance care in the placement of the hitch at the time it is installed may prevent an arrest later in the season, Mr. Powell said.

Section 3-411 (b) of the Motor Vehicle Law requires that license plates be displayed on the vehicles "in a place and position to be clearly visible and shall be maintained free from foreign materials and in a condition to be clearly legible," Secretary Powell pointed out.

## Rescue Squad Calls

The Antioch Rescue Squad took the following to Victory Memorial Hospital:

April 17—Josephine Lucas, Rt. 3, Antioch  
April 17—Betty Koppen, Rt. 1, Antioch  
April 21—Ralph Fields, North Avenue, Antioch  
April 21—John Hagen, Antioch  
April 23—Lewis Kent, Rt. 1, Antioch  
April 28—James Wells, Antioch.

## THE BREAKFAST THREE

Three favorite breakfast meats, when leftover, can be used in intriguing ways at the other two meals. If you're scrambling eggs, add leftover, crumbled bacon or sausage or diced ham while cooking.

Pop any of the three leftover meats into hot or cold potato salad for lunch or dinner.

Souffles for lunch, vegetables for dinner or corn bread batter for either meal can all be enhanced with bacon bits, crumbled pork sausage or diced or slivered ham.

After a little experience, a man realizes that he can go to bed at midnight and seldom miss anything.

A man may possibly regret accumulating a million dollars, but nobody ever regretted saving a thousand dollars.

## Antioch Band wins Honors

On Saturday, April 27, the Antioch Grade School Band competed in the Illinois Grade School Band State Competition and won its 13th consecutive 1st Division Rating at the State level.

This is one of the finest records in Northern Illinois. The band's rating was just two points from a perfect score.

George Olisar, band director, said that it was very gratifying to see so many parents at the contest and feels that their attendance helps greatly in the band's response in performance and competition.

After the contest the band and parents attended the annual band banquet at the Sail Inn. Eighth graders were presented with graduation music pins for their years of contribution to the success of the Antioch Grade School Band.

Jack Fries, Antioch Grade School Parent President, introduced

## Motorcycle Accidents On The Rise

Accidents involving motorcycles have been increasing at an alarming rate during the past three years. Deaths per mile of travel are four times that of other types of traffic accidents. Car drivers as well as cyclists should use more caution.

For the past three years the number of motorcycles on the road have increased five times as fast as the number of other motor vehicles. If you ride a cycle, remember, there are special hazards that are not encountered by car drivers. Use extra care!

When you ride a motorcycle in traffic, your chances of being injured or killed are higher than when you are in a vehicle affording more protection. Special studies have shown that your chance of being killed or injured are nearly ten times greater than when you are riding in a car which affords more protection to your person.

The most numerous type of motorcycle accident is collision with another motor vehicle. If you are a motorcycle rider, make sure that the other driver sees you. Remember, motorcycles are subject to the same rules as other vehicles.

When you are riding a motorcycle in traffic, assume that the other driver doesn't see you—which is often the case. Keep your machine in top condition and obey the traffic rules. Remember, helmets and protective clothing will reduce your chances of being injured or killed.

## Ogilvie Presses For GOP Nomination

Cook County Board President Richard Ogilvie seeking the Republican nomination for governor in the coming primary June 11, spoke to more than 70 persons at a luncheon Saturday in Lorenz's Smart Country House.

Ogilvie was accompanied on his tour by State Rep. John Conolly, R-Waukegan.

## THE ANTIOCH NEWS 3 THURSDAY, MAY 2, 1968

ed all the officers. Richard Whitacre, school superintendent and Harold Romaine, Oakland principal, each said a few words complimenting the band.

Olisar then received a gift from the band, followed by humorous tokens from each class. Mr. and Mrs. Chester Golonka made all banquet arrangements.

The band now will prepare for the annual Memorial Day Parade and graduation.

## Banquet At Antioch Methodist

The Wesley Evening Circle of the Antioch Methodist Church is sponsoring their annual Mother and Daughter Banquet Friday, May 3, at 6:30 p.m. in Wesley Hall.

A delicious menu has been planned and a short program will follow the dinner. Betty Lu Williams has planned the program around music written by N. O. Nelson, a former local resident of Indian Point. Mrs. William Hansen will accompany a chorus of mothers and daughters singing "Who Hath the Love of a Mother," "Valley of Sunshine and Dreams," and "Where the Lotus-Flowers Bloom." Wendy Jensen and Debbie Chandler will be featured performers. Group singing will also be included.

Special guests at the banquet will be the daughters of Nelson, Mrs. H. C. Cunningham of Racine, Wis., and Mrs. Vern LaFayette of Kenosha.

New officers who will be installed during the program are: Mesdames Emery Chandler, president; James Glenn, Program chairman; Wallace Anderson, secretary; Albert Dittman, treasurer; Kenneth Tate, devotional chairman; George Hahn, hostess chairman; Kenneth Smouse, publicity chairman; Henry Glenn, sunshine chairman; Joseph Rush, John Romer and Harold Knutsen, ways and means chairman, and Douglas Dodd, membership chairman.

## Social Notes

By Del Jahneke  
The Walter Buchert family celebrated Mr. Buchert's 75th birthday with a dinner party at their home Sunday, April 21. Mr. and Mrs. George Bergwall and Mrs. Florence Eichorst, all of Spring Grove, Mr. and Mrs. Fred Karch, Melrose Park, and Mrs. Alice Glade of Bensenville were guests.

Mrs. Walter Miller and her mother, Mrs. Anna Tryon of Channel Lake attended a Mass and afterward a large testimonial dinner for Mrs. Tryon's brother, the Reverend Edward Kuch. Fr. Kuch had been ordained a priest 40 years ago. The Mass was held at St. Tarcisus Catholic Church in Chicago, with over 500 friends and relatives also at the testimonial dinner, held at "Antoine's", Chicago, on Sunday, April 28.

Neighbors and friends will miss the friendly Robert Cezemski, Beach Grove, who have sold their home, and will be making their permanent home in Punta Gorda, Florida. The welcome mat is out for Mr. and Mrs. Frank Rice, formerly of Melrose Park, the new owners.

The Robert H. Dunlap Jr.'s, Grass Lake, and the junior Ed Jahenekes, Rte. 173, enjoyed a dinner and evening out at the Stage Stop, Wilmot, Wis., on Saturday, April 27. The party was in celebration of their four birthdays, all within a few weeks of one another. On Sunday, the Ed Jahneke, Jr. family entertained over 20 relatives and friends at a buffet dinner in honor of their little daughter, Andrea Lea's first birthday.

Mr. and Mrs. Thomas Jacobsen, Beach Grove, were at a Bon Voyage smorgasbord party, held in The Swedish House in Arlington Heights, on Sunday, April 28. George Jacobsen of Chicago, and Mr. and Mrs. Andrew Jacobsen, Berkeley, will soon be leaving on a trip to Norway. Mr. and Mrs. George Jacobsen, Northbrook, and Mr. Nix Jacobsen of Skokie also were present to wish a successful journey for their father, brother and his wife.

A speedy recovery is wished to Mr. Ralph Fields who is hospitalized in Victory Memorial Hospital. Mrs. Alma Harden Loubert, formerly of Antioch, will be returning to her home in Fort Lauderdale, Fla., on Saturday, May 4. She had come to Fox Lake to visit her daughter, Jean Hardin Grischau, and was here when Mr. Don Grischau had a sudden heart attack and died on April 12th. Deep sympathy is extended to Jean (Mrs. Dan) Grischau and her seven children.

Blairsville, Pa., Dispatch: "Being on relief is becoming so respectable and dignified that it's soon going to be demeaning and degrading to go to work."

Mr. and Mrs. Douglas Burke, Jr.

## Toni Lomma Weds Douglas Burke, Jr.

Antoinette (Toni) Lomma became the bride of Douglas Burke, Jr., on Saturday, April 6, in a double ring ceremony at St. Peter's Parish, with The Rev. Father Henderson officiating. The bride was given in marriage

by her father. She wore a floor length gown of silk organza trimmed in Italian lace, with a scalloped bodice of lace and pearls, with a detachable train of silk organza and lace. She wore a crown of crystal tear drops trimmed in pearls and lace. Her cousin, Diane Faverula was maid of honor and Jeanine Sortino was matron of honor. The matron of honor wore a mint green floor length empire gown of draped chiffon and carried white and yellow tinted carnations.

Thomas Doyle, a cousin of the groom, was best man and Anthony Lomma, Jr., brother of the bride, was usher.

The bride is the daughter of Mr. and Mrs. Anthony Lomma of Rt. 1, Antioch. The Lommars are the owners of Tony and Lill's Restaurant just south of Antioch.

The groom is the son of Mr. and Mrs. Douglas Burke of Mundelein. Both the bride and bridegroom are graduates of Antioch High School. The groom received his discharge from the Air Force after 4 years of service.

A reception at The Angels followed the ceremony and the bridal couple left on a honeymoon trip to New Orleans.

## American Legion Auxiliary News

### By Del Jahneke

The Antioch American Legion Auxiliary No. 748 will hold their God Star Party and meeting on May 10th, at 8:00 p.m., at the Antioch Legion Home, with Mrs. Bernard Stadick, President, conducting the meeting.

Mrs. Stadick will appoint the Nominating Committee Chairman, and the other four members of the committee will be elected from the floor. The election of officers will be held in June. Plans will be discussed regarding the annual Poppy Days, to be held on May 24 and 25, according to Mrs. Ray Rathmann, Poppy Chairman. Preparations will also be made in reference to the Antioch American Legion and Auxiliary Carnival, to be held on the Antioch Community High School parking lot, from July 2 through July 7.

Mrs. Edward Jahneke, 2nd Division Foreign Relations Chairman, is also in charge of the state

foreign relations scrapbook contest: "Visiting Malaysia." She has received an invitation from Mrs. John Acklin, Dolton, Ill., Department (state) Junior Conference Chairman, to attend the state Juniors' Conference, to be held at the Main Auditorium, University of Illinois, Champaign-Urbana on May 11th. Mrs. Jahneke is asked to present prizes to the first, second and third place winners in the two categories of Junior Auxiliary members in the "Visiting Malaysia" scrapbook contest.

The two age groups in juniors are the six through twelve years; and the 13 through 18 years. The three senior winners will receive their awards at the state competition. The judges are Mrs. William Schultz, North Chicago; Mrs. Thomas Rizzo, Lake Zurich; and Mrs. William Moeller, Salem, Wisconsin. Approximately 40 juniors and some of the senior advisers will be attending this 14th annual Department Junior Conference, to represent the 10th District. Some 950 junior and senior auxiliary members are expected to be in attendance.

Mrs. Earl Horton, Gold Star Chairman, will be having a lovely party, to honor the unit's gold star members. The Gold Star Mothers are: Mrs. Myra Randall and Mrs. L. C. Scott; Gold Star widow, Mrs. Trudy Nelson; and the Gold Star Sisters: Mrs. George Swenson, Mrs. Scott Birdsell, Mrs. Ollie Tweed, and Mrs. Ralph Fields.

The hostess committee is Mrs. Earl Horton, Mrs. Barney Nevelier, Mrs. Al Soman and Mrs. F. A. Swenson.

# 3 Canoes Needed By Girl Scouts

Senior Girl Scout Troop No. 110 of Antioch is planning to enter the Fox River Canoe Race May 25 and 26. Their only problem is that they do not have canoes and are looking for three generous people to loan them canoes for this event.

Recent activities for Troop 110

have been a Career Conference at the University of Wisconsin Campus at Madison. Chris DeVries, Pat McCarthy, Sue Lazarsky, Darlene Borecky and Mrs. Bernard F. DeVries joined 500 other Senior Girl Scouts and Boy Scouts from Wisconsin and Illinois for a wonderful educational weekend.

## Oakland PTA Meets May 6

Oakland Grade School PTA will meet Monday, May 6, at 8 p.m. The eighth grade students will be honored at this meeting. Harold Romaine will introduce each student and their parents.

Irene Gable, past president, will install the following officers for the 1968-1969 school year: President, Mrs. Warren Erickson; Vice-president, Mrs. Richard Wells; Treasurer, Mrs. John Mattoni; and Secretary, Mrs. Fred Wolf.

Refreshments will be served by the first grade parents.

## Hospital Notes

Emil Gelderman of Indian Point is in Victory Memorial Hospital recuperating from a stroke.

Bernice Seymour of Grass Lake is also in Victory Memorial Hospital with an arm injury.

Pauli Bye, an 8th grader at Grass Lake School is in Condell Memorial Hospital, Libertyville, following an appendectomy.

Richard Kaye of North Avenue, Antioch, was taken to Downey Hospital Saturday for a general checkup. Richard has been ill for the past several months.

## St. Peter's Club Spring Dance Sat.

St. Peter's Men's Club will hold its first Spring Dance at the Lindenhurst Civic Center on Saturday evening, May 4, at 8:00 p.m.

The men hope to keep the evening informal and enjoyable and dedicated to the idea that given a good band, refreshments and a lot of nice people, the only result could be a good time for all.

Jim Walsh and George Palaske have worked hard to make this a night to remember. Everyone's welcome.

The Center is located one block north and west of the Shell Station at Rte. 132 and Lindenhurst Road.

## CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" is the subject of this week's Bible Lesson to be read in all Christian Science churches this Sunday. The service at First Church of Christ, Scientist, BEACON HILL, Rt. 173 & Harden, Antioch, begins at 11 A.M., and is open to the public.

The Golden Text from Psalms sets the theme: "Unto the upright there ariseth light in the darkness: Surely he shall not be moved forever: the righteous shall be in everlasting remembrance."

The Bible Lesson also includes passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, among which is the following: "Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. If at present satisfied with wrongdoing, we must learn to loathe it. If at present content with idleness, we must become dissatisfied with it."

## Name McClory To New Post

At a meeting of the InterParliamentary Union just concluded at Dakar, Senegal, Congressman Robert McClory (R-Ill.) was elected Vice Chairman of the organization's Educational, Cultural and Scientific Committee. During the meeting in Senegal the Committee prepared its agenda for the IPU Plenary Conference to be held in Lima, Peru, in September. Members of Congress and other Parliamentary representatives from 55 nations discussed such varying subjects as the Arab-Israeli conflict, and worldwide efforts to reduce illiteracy and promote economic development.

Congressman McClory will also serve as the Committee's Rapporteur at the IPU full meeting representing the opening speech on the subject of the Parliament's role in the development of national science policies. This subject has special significance in that the developed nations are able to promote self-help efforts in underdeveloped areas of the world through the sharing of scientific and technical know-how.

The American delegation to the Dakar Conference was headed by Congressman Alexander Pirnie (R-N.Y.) and Senator Gordon Allott (R-Colo.). The delegation also included Senator Everett Jordan (D-N.C.), Senator Mike Monroney (D-Okla.), Congressman Edward Derwinski (R-Ill.), Congressman John Jarman (D-Okla.), and Congressman John Morgan (D-Conn.).

The InterParliamentary Union, the world's oldest international organization, was organized in 1899 for the purpose of arbitrating international disputes. It was responsible for creating the International Court of Justice at The Hague and many other changes affecting international relations. Its main purposes are to promote the Parliamentary system of government and to improve international understanding.

## Clean-Up Campaign Announced

Gov. Otto Kerner has asked cooperation of all residents of the state in a month-long campaign during May to "Keep Illinois Beautiful."

With the Garden Club of Illinois and a number of organizations and civic groups, he has proclaimed May as a time for intensive clean-up of both private and public properties.

Public officials, schools and colleges, churches and temples, the Boy Scouts and Girl Scouts, the Illinois Jaycees, the Illinois Chapters of the National Campers and Hikers Association, the Illinois Association of Junior High School Councils, the Illinois Press Association and the Illinois Municipal League are asked to provide leadership for the clean-up drive.

"Everyone is invited to take part in this program. It is aimed at the elimination of litter around our homes, along our highways and our waterways and in all public and private areas of the state," Gov. Kerner said.

## Swim Gets Nod For Annapolis

Russell Swim, Antioch Community High School senior, has received an appointment to the United States Naval Academy at Annapolis, Maryland.

Swim, the son of Mr. and Mrs. Kenneth Swim of rural Antioch, was chosen for the appointment after extensive competition in various areas used in selecting potential leaders for the U. S. Navy.

## Book Donated To Library By Harry Stern

Harry H. Stern, of Indian Point has donated a book to the Antioch Township Library titled "The History of the Outboard Motor" by W. J. Webb.

The book is a beautiful cloth bound edition and should be of great interest to people of West Lake County as the development of the outboard motor is tied in very closely to this area's development. The book gives the history of the outboard motor from the very beginning until the present time.

Author Webb was general manager of Evinrude Motors and vice-president of OMC. He is retired now, and is vice-president, emeritus.

Probably no one is more qualified to record the history and development of the outboard motor than is Webb. He originally went to work for Evinrude in World War I days, when the company first started. For years, people were asking him to write a book like this, and it has finally become a reality.

Stern thought it would be nice for Antioch to have a copy of this fine book in its library, as it would prove interesting to many people including scholars researching the subject.

Copies of the book can be purchased from bookstores or Evinrude Motors and it is published by Renaissance.

## 3 Antioch Listings In State Calendar

Antioch has three entries in the Illinois 1968 Calendar of Events put out by the State of Illinois, according to Harry Stern.

The three listings are:  
July 7 - Antioch-Trap, and Chicken Barbecue at NCCC  
Nov. 3 - Antioch-Turkey Shoot and Barbecue  
Jan. 5, 1969 - Ice Fishing Derby and Queen of Ice Contest.

## Summer Day Camp For Handicapped Begins July 1

United Cerebral Palsy of Greater Chicago announced today that its 1968 six-week summer day camp program for handicapped children will begin on Monday, July 1. The program is open to all children, ages 5 to 15, with cerebral palsy in Cook, Lake, DuPage and Kane counties.

There are five camps located at Avalon and Mozart Parks in Chicago and in the suburbs of Addison, Aurora, and Glencoe. Hours are 9:00 a.m. to 2:00 p.m.

The program includes swimming, field sports, games, nature hikes, arts and crafts, rhythm bands, special events such as trips to the zoo and Indian Village, picnics and open houses.

The aim of the program is to give the handicapped child the same opportunity for healthy summer recreation as any child, despite the degree of his handicaps. At the United Cerebral Palsy camps this is made possible by planning specialized activities which are adapted to the level of ability of the handicapped child. In addition, the programs are under the guidance and supervision of counselors trained to work with the handicapped. There is one staff member for every four children to provide maximum care and safety for the children.

Parents who have not been contacted by United Cerebral Palsy are invited to write or phone the Agency for more information. The Agency's offices are located at 343 South Dearborn St., Chicago, Ill. 60604. Phone: 922-2238.

## Kindergartners Registration Set

Grass Lake School will hold its annual kindergarten tea on Thursday, May 2 at 10:30 a.m. Mothers may register their children at this tea, or at the school office from May 6 through May 10 from 8 a.m. to 4 p.m.

Parents and their future kindergartners (1968-69 school year) are invited to visit with the school officials at the time of registration. Parents must bring in proof that their child will be 5 on or before next Dec. 1.

## Legislators To Answer Law Questions

Lake County legislators will answer the question of what the Illinois legislators can do about laws and law enforcement at a meeting May 27 in Mundelein High School auditorium.

The meeting is sponsored by the Lake County Chiefs of Police Association and the Lake County Crime Commission.

Candidates will be invited to present their views in a five minute period and then be open for questions. Robert Post, operating director of the crime commission will act as moderator.

## Dr. Bucar Attends Nevada Conference

Dr. Albert A. Bucar, Antioch, is one of 150 optometrists attending the First National Conference on Prepaid Vision Care being held in Las Vegas, Nevada. The conference was sponsored by the Vision Institute of America.

Representatives of 45 states have come together to exchange information on what has been termed by leading insurance authorities as the "hottest fringe benefit" available in America today. Prepaid vision care plans now operate in 32 states and involve millions of dollars in premiums annually.

The trouble with a lot of improvements is that they aren't as good as the original article.

"Jodi", a Hungarian Vizsla owned by Lew Simon.

## Jodi Now Field Trial Champion

Over the weekend of April 20-21, Lew Simon completed his dog "Jodi" a Vizsla — Hungarian Pointing dog—as a Field Trial Champion.

This title is a challenge to all who try and is not an easy task to accomplish. Jodi has competed in some 45 trials in his short 3½ years.

He has been run against such breeds as German Shorthaired Pointers, German Wirehaired Pointers, Weimaraners, English Pointers and Irish Setters. He has traveled from Illinois to Wisconsin, Iowa and Nebraska to compete.

The Vizsla is still not truly accepted in competition in field trials due to the rarity of the breed and fewer yet entered in the trials.

Jodi has competed in many trials with an accumulation of some 60 entries while he would be the only Vizsla present.

Jodi's most recent accomplishment, aside from becoming a Field Trial Champion, is that of being 5th runner-up for the "Dog of the Year" award for 1967.

Some 1,500 dogs were in competition for this from the midwest area. It is done on an accumulation of points from trials entered for that year, number of dogs entered in that stake, what

placement he won and how many dogs he beat out. Jodi is also a prize family pet and a good watch dog besides being a marvelous hunting dog and a Field Trial Champion.

## N.I.C.C. Bar-B-Que Sunday, May 5

The Northern Illinois Conservation Club will hold its first Spring Spring Chicken Bar-B-Que of the new season May 5th at the NICC Club house, President Richard Waters, who has already established a reputation as a gourmet-type chef in the barbecuing of chickens will preside at the brazer.

In addition, the NICC's monthly Trap Shoot will be run off, with steaks, ducks, chickens and rock cornish hens as the prizes to be won by the shooters. Firing will start at 10 a.m. and feasting begins at 12 noon, both continuing until dark.

An active group of Robin Hood type shooters have brought about a resurgence of bowmanship at the club, and have completely rehabilitated the archery range into a modern facility qualified to conduct championship matches.

Area archers are invited to take part in the shakedown shoots, as well as to get acquainted with the NICC quiver-carriers.

The NICC grounds are three miles west of Antioch on Route 173.

## Little Silver Lake Bass Fishing Good

Bass are hitting good on Little Silver Lake according to the report of Wayne Erickson of Jacy's Resort.

"They're running around 3 lbs. and they've been catching them on spoons, dare devils, etc.," said Erickson.

"Croppies are hitting in the evening, and the fishermen are having a heyday. No motors are allowed on Little Silver Lake," Erickson added, "and that sure helps the fishermen."

## Antioch Lumber 1st In Ladies' Classic

Monday, April 22, 1968, league leader Pat Helwig (173) and her team mates, Ardell Brand (157), Dee Ellis (156), and Lois Hartman (160) won first place in the Antioch Ladies Classic League.

The Antioch Lumber team finished with the all time high average of 647. The team also rolled the highest team series (2285) since the league was formed in 1964.

Not too far off the pace for rolling high series were Antioch Savings & Loan with 2161; and Village Discount with 2128. The Classic League gals set a fast pace this year with seven (7) 600 series being bowled. Curly Wertz bowled two—625 and 618; Madeline Patten bowled 625; Pat Helwig bowled 616; Evelyn Erickson bowled two, 608 and 604; and Myrtle Sampayo bowled 607.

The league showed great improvement this year with almost every girl raising her average to bring the composite average of 32 girls to a 158.

Here are the way the teams finished the year:

## Bob Anzinger Wins 3rd at Waukegan Speedway

Waukegan—The weekend stock car racing season is in full swing at the Waukegan Speedway with three outstanding evenings of competition already in the record books.

Al Hagerty won the opening night late model feature, finishing in front of Al Gutche and Jim Cossman. Dan Kalous stormed back and won last Saturday's feature in convincing style. Cossman took second in that race and Bob Anzinger of Antioch drove a fine race for third.

Although Cossman hasn't carried a feature event checkered flag yet, he does hold a three point lead over Kalous in the championship battle. Cossman was the Waukegan title holder in 1964, 1966 and 1967.

Al Gutche has his newly built Thunderbird in third place and his older brother Harold Gutche in a Mustang holds down fifth spot. Hagerty is fourth ranked. Jack Ester of Antioch and Mike

## Jim Carlson Homers But Sequoits Lose

Antioch 1 1 0  
Round Lake 5 6 0  
Round Lake beat Antioch on Friday, April 26. Wilford Wells pitched a fine game until the 4th inning, when he allowed 3 singles, 2 walks and a passed ball. Four runs were allowed to score after two men were out. Jennrich came in to relieve Wells in the 4th.

Round Lake also scored one run in the 5th.  
The Sequoits scored their lone run on a homer by Jim Carlson in the second inning.  
This was the only hit the Sequoits got in the game and spoiled a no hitter for Miller.  
Wilford Wells was the losing pitcher and Miller was the winning pitcher.

**what kind  
of coffeemaker  
do you use?**

It really doesn't matter.

Any coffeemaker can give you a good cup of coffee,  
providing you use a fine fresh coffee  
that is ground exactly right for your coffeemaker.

We've always known that the correct grind  
is important to coffee flavor.

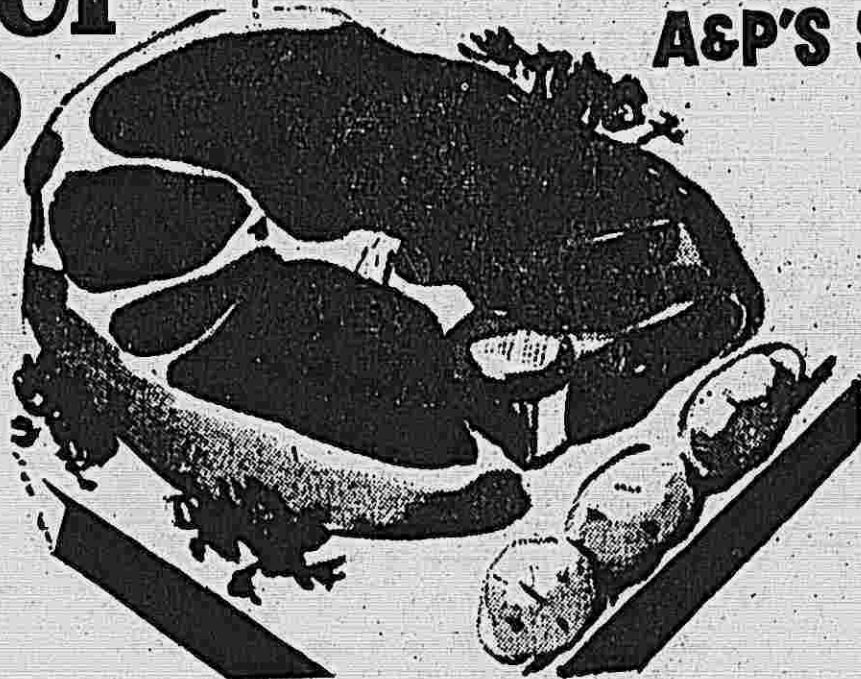

That's why, years ago, we developed Custom-Grinding.  
That's why we don't have just one or two grinds  
but seven different grinds... to fit any coffeemaker,  
including electric percolators, of course,  
(Ask for medium-fine grind for electrics).

Custom-Grinding means a little extra work for us  
and a little extra time for you.

(It takes 15 seconds to grind a pound).

But what a difference in flavor those few seconds make.
